Client Solutions

ISG draws on the right combination of its services, domain expertise and industry insights to develop the best solutions for its clients.

Primary Businesses

* ISG Research™

ISG is a leading provider of subscription research and related consulting services for senior business and IT executives, technology and software vendors and business / IT services providers. Our trusted and objective insights into market trends and new technologies help our clients make better business decisions and create greater business value.

* ISG Consulting™

ISG helps private and public sector organizations transform and optimize their operational environments with a complete range of consulting services, focusing on information technology, business process transformation, program management services and enterprise resource planning. ISG consulting services include: Financial Analysis, Mergers and Acquisitions, Network Services, Operating Model Design & Implementation, Operations Benchmarking, Organizational Change Management, Performance Management, Qualitative Assessment, Renegotiations, RFX Services, Robotic Process Automation (RPA), Strategy, Transition and Transformation.

* ISG Managed Services™

ISG Managed Services helps clients realize the cost savings and operating efficiencies they expect from their sourcing arrangements. Our industry-leading systems, tools and controls are designed to consistently govern third-party agreements, and our expertise in service integration and management helps clients achieve operational excellence in multi-supplier environments.

* ISG Events™

Our industry-leading events include the ISG Sourcing Industry Conference (SIC) series, the premier annual event for service and technology providers in the Americas, EMEA and India; the ISG Executive Provider Summit, a high-value gathering of C-suite provider executives and ISG partners; the ISG Digital Business Summit series, regional events focused on emerging business technologies; the ISG Automation Summit, a conference focused on the latest trends in automation, and the ISG Paragon Awards™, honoring organizations for their contributions to the continuing evolution of sourcing.

2017: A Step-Change in Financial Performance
